Three Jaycees Vie Tomorrow In Track Meet

Already rained out of one scheduled event this week, coach Joe Lanning's Long Beach City College track squad will meet Bakersfield and El Camino Friday afternoon in a Metropolitan Conference double-dual originally set for March 20. Saturday the Vikings will compete in the Southern California Relays at Santa Ana.

Friday's double-dual figures significantly in the 1958 Metro dual meet championship race, with a heated contest predicted between the Vikings and the Renegades. Bakersfield looked impressive in a pre-Easter double dual victory over Harbor and Santa Monica, winning by scores of 80-42 and 78-44 respectively.

In last weekend's Easter Relays at Santa Barbara, the Viking mile relay team of Jim Duke, Charles Miller, Matthew Shipp and Ron Boeckler lowered their existing school record by one full second in a 3:22.8 clocking, featuring a sizzling 49.1 leg by Duke. Only other LBCC performance of consequence was a 49-0 shot put mark by Ernie Gordon, his best of the year and only 3 3/4 inches off the school record set by Bob Humphreys, currently starring for the L. A. Striders.

Bluebirds Open Practice at Torrance Park

Torrance Bluebirds, semi-pro baseball team in the Harbor League, will start rounding up the old gang Saturday as regulars and newcomers are expected to report for practice duty.

Under the tutelage of Buck Kuhn, last year's rookie manager, the squad will start workouts 12 noon to 5 p.m. at Torrance Park.

Expected to again see duty with the Birds will be Jim Murphy, Larry Roy, Swayne Johnson, Frank Lucking, Jack Schlary, Joe Waters, Bill South, Jim Nady, Carl Arribe, Carl Strong and a host of others.

Spring play for the locals will get under way sometime this month, according to Kuhn.

Steel Plant Employes at Golf Tourney

A group of Torrance employes of Columbia-Geneva Steel traveled to Fresno to meet employes of the division's Pittsburg plant for dinner and a golf match last week end.

Bud Ellis, representing the locals, won low gross while Don Lasell of this city copped low net.

Participating from the Torrance plant were J. Moore, R. Decker, G. Derouin, B. Ellis, C. Miller, R. Jenkins, P. Dragon, E. Ahlstrom, H. Dotson, D. Hyde, M. Archer, G. Johnson, J. Wayt, M. Richardson, R. Holmberg, G. Pearson, A. Chlman, O. Olsen, D. Lasell, L. Montgomery, H. Croft and L. Barrett.

Tickets Go On Sale for Ice Capade Show

Tickets for the annual Los Angeles engagement of Ice Capades of 1958 will go on sale Friday, April 11, at the Pan Pacific boxoffice and all agencies.

The engagement this year will be the shortest ever in the annals of Ice Capades. Just two and a half weeks, beginning Wednesday, April 30 and running through Sunday, May 18.

Critical acclaim has been unanimous in calling the show the "greatest ice show ever produced" and producer John H. Harris had to shorten the date scheduled this year.

In addition to the Pan Pacific boxoffice, which is open daily and Sunday from 10 a.m. to 10 p.m., tickets are also on sale at Southern California Music Co.; all Harris and Frank Stores; Pasadena Wintergarden and the 100 Mutual Agencies.

Bubbles to Appear On TV Program

"Bubbles," the trained Marineland whale, is the star of the film on "Fishing Flashes," today, 8 p.m., over KCOP (13). Also in the cast are giant grey whales migrating south along the California coastline, and a misguided pilot whale who loses his bearings and turns up at Pierpoint Landing. Officials surmise he had a date with Bubbles.

Pacific Coast League

Kissel Field will be the scene of a cleanup effort Saturday, 9 a.m. and all fathers of players in the Pacific Coast Little League are requested to report for duty.

Final Cleanup Day

Fathers are requested to assist in a final cleanup day at the North Torrance Little League Field, 190th St. and Beryl Ave.

Work must be completed before opening day, April 27.

Sure! But fly 'em safely!

- Here's how—explains Reddy Kilowatt
1. Fly kites in an open field, away from electric power lines and other overhead obstructions.
 2. Be sure string is perfectly dry.
 3. Never use wire, tinsel or metallic string.
 4. If the kite catches in a power line, let go immediately.
